

If your institution teaches various aspects of religious or historical aspects of unitarian denomination, you might find value in exploring and analyzing translated sermons from Transylvanian unitarian churches. The address of the Transylvanian Unitarian College and the high schools may give you new professional contacts and the chance to get to know new colleagues. Students may explore student life, the unitarian educational process in Transylvania.

**Unitarian College:**

Egyetemi Fokú Protestáns Teológiai Intézet -- Protestant Theological Institute of Cluj
